David Bowie Hearts Filthy Lesson

"The Hearts Filthy Lesson" is a song by David Bowie, from his 1995 album *Outside*, and issued as a single ahead of the album. It showcased Bowie's new, industrial-influenced sound. Lyrically, the single connects with the rest of the album, with Bowie offering a lament to "tyrannical futurist" Ramona A. Stone, a theme continued in subsequent songs. The song is also meant to confront Bowie's own perceptions about the ritual creation and degradation of art. Critical reception to the song was general

I mainly purchased it for the song "The Hearts Filthy Lesson" and discovered it is a pretty creative album that I never heard on the Radio. I prefer to purchase "UNCOMPRESSED" Audio because I appreciate all the work the artist shares in their Musical Interpretation of that MOMENT in Time and Space... I have Nice audio equipment too
