Sweatshop USA: The American Sweatshop in Historical and ...

by Jessica De Jesus Tabea Soriano. At this point, much of America's cheapest garment production has moved overseas, but Ross estimates that as late as 2000, there were still 255,000 sweatshop workers in the United States. Sweatshops can be found in New York City, California, and Texas. Factories that produce military uniforms are listed by watch groups as repeat offenders.

Ethical Style: There Are Still Sweatshops in America | GOOD

What is a Sweatshop A sweatshop is more than just a metaphor for a lousy job. Although there is no clear, single definition of the term, it generally refers to a workplace where relatively unskilled employees work long hours for substandard pay in unhealthy and unsafe conditions.

History of Sweatshops | National Museum of American History

The first section of Sweatshop USA examines early social reform movements that first defined the sweatshop and the cultural discourse and environment that informed them. Section two explores the sweatshop. The final section focuses on historical and current challenges to the sweatshop system.

But 22 years after El Monte, the problem of sweatshops is still widespread in LA. Los Angeles has the highest concentration of garment industry workers in the country. And even if authorities aren't finding workers confined like in the El Monte case, they are finding widespread minimum wage,

overtime and record-keeping violations.

How a sweatshop raid in an LA suburb changed the American ...

“Yes, the conditions are better here, but the notion that we still don’t have sweatshops in the United States is simply not true,” says Marissa Nuncio, director of the Garment Worker Center. “It’s important that people are aware of the conditions that exist like poor ventilation and just terrible safety violations.”

All-American Sweatshops - The Garment Worker Center

Sweatshop conditions are still found in garment factories in California 20 years after investigators uncovered one of the most egregious examples in El Monte, Calif. As the Made in USA trend continues to gain momentum — and President-elect Donald Trump has centered his incoming administration’s focus on boosting U.S. manufacturing — government investigations continue to uncover illegal working practices in apparel factories, particularly in California.
