The Possibility of Politics The Van Abbemuseum in Eindhoven is currently under attack for its radical and open program. In this interview, director Charles Esche discusses what he calls "the possibility of politics."

The Possibility of Politics - Kunstkritikk

Indeed, it's almost the opposite of what I intend. What I'm concerned with here is that real politics becomes close to impossible in a world where a significant proportion of the populace, including many of the most politically active people, gets their information from cynically manipulative weaponized bullshit.

The political positions of United States President Donald Trump (sometimes referred to as Trumpism) have frequently changed. Trump has proposed sizable income tax cuts and deregulation consistent with conservative (Republican Party) policies, along with significant infrastructure investment and protection for entitlements for the elderly, typically considered liberal (Democratic Party) policies.

Political positions of Donald Trump - Wikipedia

And I do think what's been lost in this country is the American ideal and the possibility of politics. Europeans came to these shores, and they saw forests that stretched on to infinity. They saw flocks of geese so big it took them 45 minutes to take off.
