North Carolina's Blue Ridge and Smoky Mountains are well-known for attractions like the Blue Ridge Parkway and Appalachian Trail. But this western region offers so much more to explore, from the land of the waterfalls and one of the oldest rivers on the continent to farm-fresh foods and some of the country's best craft beer.

### **Places to Visit in the North Carolina Mountains | VisitNC.com**

Western North Carolina is the region of North Carolina which includes the Appalachian Mountains, thus it is often known geographically as the state's Mountain Region. It contains the highest mountains in the Eastern United States. Western North Carolina is sometimes included with upstate South Carolina as the "Western Carolinas", which is also counted as a single media market. The region covers an area of about 11,000 square miles, and is roughly the size of the state of Massachusetts. The popul
